Advantages of Air Charter

Convenience

You nominate departure times

No need to arrive 45 minutes prior to departure

No check-in queues

No waiting for baggage on arrival

Essendon airport is 6km closer to Melbourne than Tullamarine and has ample free parking.

Aircraft

We can offer a choice of twin engined aircraft, ranging from 5 to 9 passenger seats with varying speeds from 300 to 560 kmh

Most of the aircraft in our fleet are pressurised, providing quiet air-conditioned comfort with leather club seating, tables, reading lights etc.

These aircraft operate at altitudes up to 30,000 feet – above most weather and turbulence.

Complimentary lounge and in flight catering

On all flights we provide daily newspapers, tea, coffee, soft drinks, wine and beer.

Light meals, sandwiches or continental breakfasts are provided.

Special meals provided on request.

Cost

Chartered aircraft travel is comparable in price to business class air travel, depending on the number of persons travelling. When you consider the time saving and flexibility afforded by air-charter, there is no comparison.

Present Clients

Some of Australia's largest companies regularly use our services.

We also provide air-charter for leading state and federal politicians.

Safety

Flying in commercial aircraft is far safer than road travel. Your safety is our paramount concern.

All our aircraft are maintained to the highest standard, fitted with the latest equipment and flown by highly experienced pilots.

Inspection welcome

Should you or a representative wish to inspect our facilities or aircraft, please feel free to contact our friendly staff to arrange a suitable date and time.

Finding us at Essendon Airport

From the city (M79/M43):

Take the Citilink northbound to the Calder Freeway (M79) – Tullamarine junction. approx 8km north of the city, just after the Bulla Road exit. Take the Tullamarine Freeway (M43)

Take the first offramp (Essendon Airport, Matthews Avenue) and turn right at the traffic lights at the end of the offramp.

Continue straight ahead into Essendon Airport and follow the signs to the Main Terminal Building on Hargrave Street. Proceed to the far end of the Terminal building. The carpark is located on the right in front of the terminal. Enter the terminal at the Southern (furthest) entrance. The Australian Aero Discovery Departure Lounge is located at the end of the terminal on your right as you enter. (look for the sign above)

From the Western Ring Road(M80):

Take the exit to the Tullamarine Freeway (M43) and follow the signs to the City.

Take the Essendon Airport, Matthews Avenue exit and turn left into Essendon Airport. Continue straight ahead following the signs to the Main Terminal Building on Hargrave Avenue. Proceed to the far end of the terminal building. The carpark is located on the right in front of the terminal.

Enter the terminal at the Southern (furthest) entrance. The Australian Aero Discovery Departure Lounge is located at the end of the terminal on your right as you enter. (look for the sign above)
